INHALT

Dear Secretary of State,

Ciham Ali, a US citizen born in Los Angeles and raised in Eritrea, has been missing since 8 December 2012. Her arrest appears to be in retaliation against her father's suspected involvement in a coup attempt on the Eritrean government.

Nine years later her whereabouts are completely unknown. I urge you to use your influence and speak out for Ciham: I call on you to inquiry about her whereabouts and to demand her immediate and unconditional release.

Yours sincerely,
