INHALT

Your Excellency,

I urge you to immediately and unconditionally release Paing Phyto Min, a 22-year-old poet and student leader serving six years in prison solely for exercising his right to freedom of expression.

In April and May 2019, Paing Phyto Min and other members of the Peacock Generation, a satirical poetry troupe, performed Thangyat critical of the military. The military took offence at their performances and brought charges against them.

Paing Phyto Min should not be in prison simply for criticising the military. Everyone must be free to express their views in Myanmar, even if these are critical of the authorities.

Yours sincerely,
